Occupational Health and Safety Education and Research Center (ERC) Pilot Project Research Training Program

Anticipated Grant Opportunities

Fiscal Year 2005 — 2006

Request for Proposals for Occupational Health and Safety Research

Sponsored by

The University of Cincinnati (UC) Education and Research Center (ERC) in collaboration with Bowling Green State University (BGSU), Central State University (CSU), Eastern Kentucky University (EKU), Kentucky State University (KSU), Medical College of Ohio (MCO), Murray State University (MSU), Purdue University (PU), University of Kentucky (UK), and Western Kentucky University (WKU), to increase research capacity through new and innovative pilot research project training grants in areas including the “National Occupational Research Agenda” (NORA). <http://www.cdc.gov/niosh/norh/>

Submission Date — Must be received at UC by 5/10/05
Anticipated Budget Period — 8/15/05 through 6/30/06

As one of 16 ERCs funded by the *National Institute for Occupational Safety and Health (NIOSH)*, UC established a program to support pilot research projects. The purpose of this Pilot Research Project Grant Program is to increase the research capacity of research trainees and young investigators in occupational health and safety research at UC and in the collaborating programs at BGSU, CSU, EKU, KSU, MCO, MSU, PU, UK and WKU. This grant opportunity is also open to other faculty and students not currently working in the area of occupational health and safety (OHS) but interested in expanding into the OHS field. Funding is contingent upon NIOSH support of the UC ERC Pilot Project Research Training Program for the fiscal year July 2005 - June 2006.

THE AVERAGE AWARD IS EXPECTED TO BE \$5000. WE HOPE TO MAKE UP TO 8 AWARDS. ALL FUNDS MUST BE EXPENDED BY JUNE 30, 2006.
