

Occupational Safety & Ergonomics

MS Program
 Course Tracking Form
 Must be signed by your advisor each quarter (see last page for signature space)

Student Name _____
 Initial Advisor _____
 Research Advisor _____

Course Title / Number (Credits)	Quarter 1 200__		Quarter 2 200__		Quarter 3 200__		Quarter 4 200__		Quarter 5 200__		Quarter 6 200__		Quarter 7 200__	
	Register	Grade	Register	Grade	Register	Grade	Register	Grade	Register	Grade	Register	Grade	Register	Grade
Autumn														
Environmental Health Seminar / 26-ENV-701 (1)														
Practice in Occupational Exposure Assessment I 26-EIH-741 (3)														
Identification of Potential Workplace Exposures 26-EIH-904 (2)														
Introduction to Biostatistics / 26-BE-787 (4)														
Principles of Occupational Exposure Assessment 26-EIH-707 (3)														
Current Topics in Industrial Hygiene/26-EIH-981 (1)														
Academic Conduct (0 credit)														
*Ergonomic Internship														
Professional Development / 26-EIH-884 (1) (one quarter per year)														
Winter														
Environmental Health Seminar / 26-ENV-702 (1)														
System Safety Eng I / 20-MECH-652 (3)														
Safety Engineering & Product Liability / 20-MECH-651 (3)														
Physical Aspects of the Environment / 26-EIH-790 (3)														
Identification of Potential Workplace Exposures 26-EIH-905 (3)														
Introduction to Epidemiology / 26-BE-776 (3)														
Current Topics in Industrial Hygiene/ 26-EIH-982 (1)														
Professional Development / 26-EIH-884 (1) (one quarter per year)														
Spring														
Environmental Health Seminar / 26-ENV-703 (1)														

OSE Course Form 8'19'08

*Ergonomic internship can be taken during any of the quarters including summer with approval of advisor- 1 -

	Register	Grade	Register	Grade	Register	Grade	Register	Grade	Register	Grade	Register	Grade	Register	Grade
System Safety Eng II / 26-MECH-653 (3)														
Principles of Ergonomics / 26-OSE-792 (3)														
Introduction to Measurement Techniques in Ergonomics 26-OSE-748 (3)														
Occupational Health Management/ 26-OCCM 748 (3)														
Current Topics in Industrial Hygiene/ 26-EIH-983 (1)														
Professional Development / 26-EIH-884 (1) (one quarter per year)														
Electives (various)														
Autumn														
Environmental Health Seminar / 26-ENV-701 (1)														
Intr. To Nuclear Engineering & Health Physics 20-NUC-640 (3)														
Occupational Health, Hygiene & Safety Workshop/ Team 26-EIH-819 (2)														
Hazardous Waste Management / 26-EIH-834 (2)														
Biomechanical and Physiological Aspects of Muscular Activities / 26-OSE-744 (3)														
Current Topics in Industrial Hygiene/26-EIH-981 (1)														
Masters Thesis Research / 26-ENV-791 (various)														
Professional Development / 26-EIH-884 (1) (one quarter per year)														
Electives (various)														
Winter														
Environmental Health Seminar / 26-ENV-702 (1)														
Teaching Practicum in Environmental Health 26-ENV-725 (1) (min)														
Occupational Health, Hygiene & Safety Workshop/Team 26-EIH-820 (2)														

OSE Course Form 8'19'08

*Ergonomic internship can be taken during any of the quarters including summer with approval of advisor- 2 -
